

Environmental Laboratories, Inc.

Discover what's in your water.

Clean drinking water is a fundamental building block of good health, and its quality is often taken for granted.

Pick up an easy to use water testing kit today to ensure your water is safe from bacteria, nitrates, arsenic, lead, fluoride & secondary contaminants.

You should test your water when...

- ☑ *Purchasing a home*
- ☑ *You are pregnant or nursing*
- ☑ *There are children or elderly in the home*
- ☑ *Someone in the home has a digestive illness or vitamin deficiency*
- ☑ *There is a private water source on property*
- ☑ *Living near livestock or heavily fertilized areas*
- ☑ *A new well, pump, or treatment device has recently been installed*
- ☑ *There is a change in odor, taste or appearance of your water*
- ☑ *You want to know the quality of the water you and your family consume*
- ☑ *Your place of business caters to children or the elderly*

Testing your water has never been easier!

Pick up a water testing kit at your local Distribution Center

Not sure what to test for - we can help! Simply call RMB Environmental Laboratories at 218.846.1465.

Collect your water sample and return with payment. Average costs are only \$12-\$27.00 per test.

Mail samples back to your nearest RMB Lab using USPS 1 Day Priority Mail. Our 3 locations are:

Detroit Lakes Location: 22796 Co. Hwy 6, Detroit Lakes MN 56501
