

Hi, my name is Beau Peterson. I have always enjoyed the outdoors and conservation as I grew up and went to school near Bemidji, MN where I earned a Bachelor's of Science in Biology with an emphasis on Wildlife Management in 2013. I am married to my beautiful wife, Courtney, who grew up near Lisbon, ND. We have two very active kids, Dawson and Riley and live on a farmstead near Rosen, MN with our dogs; Zoey and Sully, and horses; Ace, Buck, and Tigger with intentions of growing the hobby farm. I have worked with the SWCD since April 2014 after experiences with the North Dakota Game & Fish Department and the Minnesota Dept. of Natural Resources. In the spring of 2017 was promoted to Manager and now I oversee all aspects of the district while still enjoying working with all the residents of the Big Stone area. You are welcome to stop in or call with any questions of what you can accomplish on your land and I am open to hearing your ideas as you know your land best.
