Plantskydd®

#1 Choice of Foresters, Landscapers & Professional Growers

Plantskydd is a Proven Leader!

Testimonials, professional referrals
and government and industry field
trials demonstrate that *Plantskydd*
is the most effective, longest lasting
animal repellent available.

Year Round Protection—up to 3-4
months during the active growing season
and up to 6 months on dormant plants.

Economical—Lasts up to TWICE as
long as other repellents.

Rain-resistant—Lasts through
overhead watering, rain and snow.

Safe for use in protecting fruit,
vegetables, and other food crops
against browse damage. *Plantskydd*
was the FIRST repellent to be **OMRI**
listed for use in production of
ORGANIC food and fibre.

100% Natural—Non-Toxic—No
synthetic additives—Not harmful to
animals or the environment.

For use on a wide variety of plant
species, including ornamental shrubs
and flowers, deciduous and conifer
trees, grasses and bulbs.

Odour-based Repellent—Animals
avoid plants before they bite—not
after! Not offensive to applicator.

Foliar fertilizing effect

Dealer Testimonials

"This 100% natural, environmentally
safe spray is simply the best I've ever
found—and I've tried them all."

Karen Park Jennings, Owner
Park's Seed Company, Greenwood, SC

"I cannot keep it on the shelf fast
enough. Everybody loves it."

Sharon Parker, SW Conservation District
Jackson County, MI

"After 3 years, we've had hundreds of
accounts tell us nothing works as
well or as long as *Plantskydd*."

Joel Klessens, Wholesale Division
Alaska Garden & Pet

Customer Feedback

"We've tried everything from deer
damage hunting permits to FIVE other
types of spray deterrents and nothing
works as well as *Plantskydd*."

Skip Kuchenbuch, Willow Spring Tree Farm, Radford, VA

"Initially we were rather skeptical of
Plantskydd because we have tried
all the other deer repellents and did
not see very good long term results.
However, after just a couple of
applications we were beginning to be
impressed—and today we are still
impressed!"

Lee Padgett, Landscape Manager
Reynolds Plantation Owners Assoc., Greensboro, GA
