

**BIG STONE SOIL AND WATER CONSERVATION DISTRICT**  
**WELL SEALING COST SHARE APPLICATION**    Funding Source \_\_\_\_\_

---

Name: \_\_\_\_\_ landowner    renter    (circle one)

Address: \_\_\_\_\_ Phone: \_\_\_\_\_

**Well Information**

Location: Township \_\_\_\_\_ 1/4 \_\_\_\_\_ 1/4 \_\_\_\_\_ 1/4 \_\_\_\_\_ Section \_\_\_\_\_

Well depth \_\_\_\_\_ Casing diameter \_\_\_\_\_

Casing material: (steel, tile, brick, etc) \_\_\_\_\_

Wellhead location: (above ground, pit, basement) \_\_\_\_\_

Well Construction: (drilled, hand dug, sandpoint) \_\_\_\_\_

Is this a multiple aquifer well? \_\_\_\_\_ or multiple screened well? \_\_\_\_\_

Is the top of the well casing subject to flooding? \_\_\_\_\_

Is the well within 1/2 mile of public water supply? \_\_\_\_\_

Does the well pose a hazard for people or animals to fall into? \_\_\_\_\_

Does the well have a water tight casing? \_\_\_\_\_

Is there debris or a stuck pump in the well? \_\_\_\_\_

Reason for sealing the well: \_\_\_\_\_

---

(Wells that are being sealed because a new well was dug, do not qualify for cost-sharing)

**Well Location from:**

Other wells in use \_\_\_\_\_ feet

Gas, diesel, or oil storage areas \_\_\_\_\_ feet

Chemical storage \_\_\_\_\_ feet

Feedlot or barn yard \_\_\_\_\_ feet

Septic tank \_\_\_\_\_ feet

Shallow trench style drainfield \_\_\_\_\_ feet

Cesspool or dry well \_\_\_\_\_ feet

---

I understand that this is only an application for cost-share and that if funded, I am eligible for 50% of the well sealing cost, up to a maximum of \$500.00 per well sealing. The sealing must be completed by a licensed well driller according to State law. To maintain eligibility for cost-share, wells CAN NOT be sealed before SWCD Board approval. I have filled in the required information to the best of my knowledge.
